The Pure Minerals Low Salt Oxidiser creates the perfect low salinity, crystal clear, mineral swimming pool. Effectively sanitising the pool water on half the salinity usually required by chlorinators, the Low Salt Oxidiser delivers precise control over water quality for the ultimate swimming experience.

LOW SALT OXIDISER

PURE MINERALS LOW SALT OXIDISER

The Evolution Low Salt Oxidiser LS70 is designed to sanitise pools up to 70,000 litres in tropical climates with only half the salinity that traditional salt pools require.

The Low Salt Oxidiser produces sparkling, safe water all year round for a luxurious and refreshing swimming experience.

Low Salt. No Gimmicks.

- Low salinity operation of 1,800 - 4,000ppm.
- Simple functionality takes the guesswork out of low salt pool sanitisation.
- Complete protection against germs, bacteria and algae.
- No ioniser required means no heavy metals are introduced into the pool water.
- LS70 - Suitable for pools up to 70,000L in tropical climates, 90,000L in temperate climates.

Tested Design

- Robust and reliable design that is simple to install and operate.
- Genuine 9 plate, low salt compatible, long-life Titanium anode cell.
- Electrical protection: Inbuilt fuse, no-flow detection and digital battery backup timer.
- Compatible with regular pool salt and mineral pool salts.
- 3 year warranty on Power Unit and Cell.

DESIGNED FOR USE WITH PURE MINERALS™

Pure Minerals™

Pure Minerals™ enhances the water to create a luxurious, soothing and healthy swimming pool. It is an all-natural product that is safe to handle, easy to use, and is suitable for any pool type and surface finish.

Wellness

Pure Minerals™ enables you to experience the well known health benefits of magnesium. Absorbing magnesium from the water will leave your skin and body feeling rejuvenated and replenished.

Water Feel

Pure Minerals™ is created from the highest purity magnesium crystals and is designed to transform the swimming experience. Magnesium naturally enriches the water, creating a smooth and silky water feel.

High Clarity

Excellent water clarity is achieved with the addition of Pure Minerals™. The magnesium crystals work as a natural flocculent, removing organic debris and impurities from the water, creating a crystal-clear pool.
